This airport is located 50 km (31 min) from the capital city that is San Salvador and 40.7 km (50 min) from Playa El Sunzal by the CA-2 Litoral Highway.

It is important that ALL visitors verify the immigration requirements needed to enter El Salvador before starting their journey to avoid unwanted setbacks or episodes. As a rule already known to all, it is important that each one's passport is valid for a minimum of 6 months.

**TRANSPORTATION OF BOARDS AND EQUIPMENT TO AND IN EL SALVADOR**

**BEFORE TRAVEL**

- For participants who require it, a letter of invitation from our Diplomatic Representation at the country of origin will be extended so that it can be presented by each participant at the airport of origin. We consider that in this way, the airline could take considerations with the participating travelers. To do this, it will be necessary to know through ISA the name of the person and passport number to inform our Chancellery and then our Diplomatic Representation will generate the document.

- For all SURF BOARDS it is recommended that all participants ask the airline to check their baggage from origin to destination: El Salvador. In that way if you transfer, the airline will know that the board must continue to El Salvador.
SUP PADDLE BOARDS should be sent as unaccompanied baggage (cargo) in advance, and for this, the LOC is strongly recommending that each delegation email the following 2 contacts:
   Amerijet El Salvador – Julio Guevara – jguevara@amerijet.com
   Amerijet representation in origen: https://amerijet.com/en/Locations

Paddleboards must be consigned to:
   Name of Head of Delegation/ SURF CITY EL SALVADOR - ISA

It is importante to identify all boards as following:
   FRAGILE
   SURF CITY EL SALVADOR - ISA

The Ministry of Tourism of El Salvador has negotiated with various airlines, special fares with which travelers will be able to access discounts on air tickets, discounts on luggage, deferences in luggage volume, among others that must be confirmed by the participants before making the purchase of their ticket.

To do this, travellers must use the following codes or contact the assigned person at the time of booking or paying for their air ticket:

AEROMÉXICO
   Special code for the event: IT9MXRC00447C
   Karla de Guevara
   kmartinez@aeromexico.com
   +(503) 2205-4750

DELTA AIRLINES

   Tel: +(503) 7939-8452

UNITED AIRLINES

   siham.giannini@united.com
Each airline will have different percentages of discounts or other benefits, which is why, it is recommended to ask for more information about before making the ticket purchase they will be consulted for more information.

**MIGRATION AND CUSTOMS IN EL SALVADOR**

- Each delegation will be received inside the airport by a staff representative from El Salvador and will guide them throughout the migration and customs procedure in El Salvador.
- It is ideal for passengers to come with their accompanying baggage as it will arrive at the airport passenger terminal.
- If, by decision of the airlines at origin, the baggage arrives to leave as unaccompanied baggage or cargo, it will arrive at the airport cargo terminal. Likewise, the recovery of this will be carried out in a coordinated manner and guided by a representative of the staff of El Salvador.
- All cargo baggage in El Salvador will be given diplomatic treatment so it is necessary for the cargo to be saunted as follows:

  Remember that surf and paddle boards must be consigned to:
  
  **Name of Head of Delegation/ SURF CITY EL SALVADOR - ISA**

- Representatives of the Ministry of Tourism of El Salvador duly identified will be waiting for all visitors inside the airport so it is important that when every participant get off the plane identify them and if they do not cross, participants should look for and address the **“CEPA VIP living room”** because there will be government representatives there who will assist them in waiting for representatives of the Organizing Staff.
- All international visitors must bring with them cash in a nomination of **$5 and $10 USD** for the payment of the cart for handling luggage within the Airport.
- All without exception please pay attention to the logo of the event which will be identification at all times.
